

See the world, learn about other cultures have an adventure of a lifetime...while you make money

With The Canadian TESOL Institute (CTI) you can pick up, leave your corner of the globe for a new one and experience a new culture while making money. Or you can stay local and teach students in your backyard, either way the choice is yours to start a new adventure today!

Here are some of the many reasons why CTI is right for you:

1 Freedom

English Teachers are in demand around the world. Experience the freedom to do what you want, when you want.

2 Flexibility

At CTI we offer you the flexibility to complete the course on your terms to meet your schedule.

3 Quality Curriculum

You will learn practical skills and ideas that you need to become a successful teacher in the classroom right away!

4 Access to Jobs

When you study with CTI we will teach you all the skills that you need to protect yourself and get the job of your dreams

We offer you an internationally recognized certificate that will unlock the world to you, to give you the power to see the world on your terms. When you graduate with CTI you will have all the tools that you need to go into the classroom and the confidence to teach any student from around the world, regardless of their age and background.
